Fax: +44 (0) 118 932 0981

Email: info@brapp.org

Now in its 11th year, the BrAPP Education Day is our “Hot Topics” update meeting for all BrAPP members. Non-members are most welcome to attend. We seek to draw a speaker panels from pharmaceutical medicine, clinical medicine and academic research as well as regulators and business interpreters.

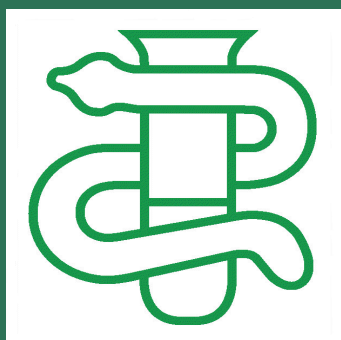

This year AI and machine learning feature strongly on our programme as they could be described as the hottest topics in town!

This meeting is being held, once again at **etc venues: Marble Arch**—the London home for BrAPP’s jointly organised Postgraduate Course in Pharmaceutical Medicine (PGCPM). It is centrally located—an easy walk from Paddington station for example - and the current delegates at PGCPM say the facilities and catering are excellent! Last year’s Education Day attendees were very complimentary too.

Who should attend: BrAPP members, pharmaceutical physicians and colleagues interested in the future of UK pharmaceutical medicine.

BRAPP EDUCATION DAY
