AXESS has unrivalled knowledge and significant expertise within Medical recruitment across Medical Affairs, Clinical Development and Pharmacovigilance at an Affiliate or International level. Specialist consultants work with a wide range of pharmaceutical companies, recruiting permanent and interim professionals for a broad range of medical roles. We are often called in early by clients to advise on structure, remuneration packages and individual role profiles, before then going on to fill these roles.

Many doctors in the industry were helped by AXESS to land their first role as a Medical Advisor, Clinical Research Physician or Drug Safety Physician and we are delighted that they regularly come back to us for ongoing career advice . many are now at Medical Director level. A significant numbers of our candidates register with us on the personal recommendation of other Pharmaceutical Physicians.

This is just a selection of the current assignments with our pharmaceutical clients.

For a confidential discussion please telephone AXESS Limited on 020 8560 2300.
